1. The serenity of nature meets bold urban design in **THE ECO CHIC WALLPAPER COLLECTION** from **Sandpiper Studios**. Printed on paper from sustainable forests—forests managed to maintain their regeneration capacity and not cause damage to other ecosystems. All of the patterns are printed with water-based, non-toxic inks that ensure a healthy indoor living environment as well as a biodegradable future that leaves no footprint. From \$56 per roll, www.wallquest.com/ecochic 2. With three layers of hand-blown glass, **GLASSY BABY VOTIVES** are both beautiful and useful. In over 70 colors there is no limit to the moods that they can induce. Dishwasher safe and practically indestructible, they can also be used as cups or goblets. Approximate size: 3.75" x 2.5", \$40.00, www.glassybaby.com 3. **THE ASIAN MODERN CERAMIC COLLECTION** from **Mitchell Gold + Bob Williams** features dramatic silhouettes with high gloss reactive glaze finishes, taken from centuries old Chinese techniques. The unique pieces are constructed with stoneware of the highest quality. Oval Vase 8.5" x 14", \$95 Classic Round 10" x 4.875", \$55. www.mgbw.com 4. The **VITA CHAIR AND OTTOMAN** from **Thos Moser** merges the sentiments of modernism with the substance, grace, and tradition of solid cherry and leather. The design pays tribute to master architect Mies van der Rohe, originator of the term "less is more", harnessing the natural strength of wood to achieve suspension and cantilever with minimal form with the back and seat joined in an ergonomically curved frame. www.thosmoser.com 5. Beautiful **LONG FIBER FLAX LINENS** designed by **Teroforma** are woven in Lithuania by a member of the European Masters of Linen guild. Napkins, placemats, runners and tablecloths are offered in five finishes and 13 tonally harmonic colors compatible with the entire Teroforma line. \$14-150, www.terofoma.com
